

## FTN Financial – Public Finance Banking

FTN Financial, the fixed income division of the First Horizon National Corporation, a publicly owned company with over 6,000 employees and nearly \$5 billion in capital is seeking candidates to hire into our growing public finance department. Our firm was recently named to *Fortune* Magazine “*Best Places to Work*” list noted for its commitment to Diversity and Inclusion.

We are looking for candidates that possess strong skill sets, talent and drive to help accelerate the expansion of our public finance practice throughout the Mid-Atlantic, Northeast and New England regions of the United States. The position is located in our New York City office. Potential candidates should be client-centric, able to collaborate with colleagues and aspire to be an integral part of our success.
