

## **PUBLIC FINANCE INVESTMENT BANKING ANALYST POSITION**

**Title: Analyst – Public Finance**

**Level: Experience Preferred**

**Location: New York, NY**

Oppenheimer is a leading middle market investment bank.. Our top-ranked professionals provide in-depth industry knowledge and deliver creative, market-based solutions to clients. Our Public Finance product groups include Education (K-12, Charter School, and Higher Education), Senior Housing, Healthcare, Project Finance and General Municipal. This combination of industry and product groups permits the Firm to deliver advice, strategies and capital with a universal banking approach to targeted clients.

The opportunity in New York, NY works with our Public Finance Investment Banking Team.

Oppenheimer (NYSE: OPY) offers a wide range of investment banking, securities, investment management and wealth management services from approximately 90 offices in the United States and Investment Banking and trading operation in three foreign jurisdictions. Oppenheimer employs over 2,900 people, approximately 1,100 of whom are financial advisers.

### **Job Description**

Oppenheimer provides Analysts with a high level of responsibility and extensive access to senior management and clients. Transaction teams at Oppenheimer are typically small in size, providing Analysts with significant responsibilities early in their career.

Analysts' responsibilities include:

- (i) Prepare financial analyses and bond models;
- (ii) Conduct due diligence investigations;
- (iii) Respond to requests for proposals;
- (iv) Support the preparation of detailed presentation material and pitch books; and
- (v) Support the senior bankers' on live transactions.

### **Qualifications**

Successful candidates will have an undergraduate degree from a leading university. Relevant work experience as an analyst at another investment bank or credit rating agency is preferred, but not essential. Successful candidates will be extremely smart, highly detail oriented, with particularly strong quantitative, writing and interpersonal skills. Successful candidates will be very comfortable working in Excel, Word, and PowerPoint. We take a very team-oriented approach to investment banking, and therefore, also focus on team chemistry in our hiring process.
