

FRASCA & ASSOCIATES, LLC

Public Finance Analyst

Frasca & Associates, a minority-owned national municipal advisory and transportation consulting firm, is seeking an Analyst to join our general municipal public finance practice. As a New York City based Analyst, you will play a critical role in supporting our team by producing pricing materials for both internal and external stakeholders and assisting in the creation of debt models tailored to client needs. This position provides a unique opportunity to gain experience in customized financial modeling, credit and debt capacity analyses, and bond financing execution. You will collaborate with professionals across the firm to support presentations, prepare responses to Requests for Proposals (RFPs), and facilitate bond transactions. Proficiency in Microsoft Office Suite is required. Familiarity or experience with spreadsheet optimization models is a plus. Please send the resume to Pat Maffia at pmaffia@frascallc.com (516-637-7941). If you have any questions about the role, please contact Anthia Ma at ama@frascallc.com (646-437-8721).
